Adaptiv Mini

Adaptiv Mini allows HDMI & Camera input to the OEM screen.

HDMI INPUT

**FRONT & REAR
CAMERA**

This plug and play Mini interface adds HDMI to connect your Apple or Android device, allowing you to mirror your smartphone display on the vehicle's original screen. Inputs for front and rear aftermarket cameras also came as standard with the Mini.

Application

Mazda 3	2014 - 2017
Mazda 6	2015 - 2016
Mazda CX-3	2015 - 2017
Mazda CX-5	2015 - 2017
Mazda CX-9	2016 - 2017
Mazda MX-5	2015 - 2017
Mazda MX-5 Miata	2015 - 2017

For Mazda vehicles with 7" Connect Systems

Kit Includes

Adaptiv Interface
Vehicle Harness

Prior to installation

Read the manual prior to installation. Technical knowledge is necessary for installation. The place of installation must be free of moisture and away from heat sources. Connects2 cannot be held responsible for the installation of this product.

NOTE: the product is supplied with two LVDS cables with differing connection styles - one with two 90 degree connectors and one with a straight and a 90 degree connector. Before installation, choose the most suitable cable based on your OEM LVDS input arrangement.

Technical Support

Connects2 want to provide a fast and suitable resolution should you encounter any technical issues. With this in mind, when contacting Connects2, try to provide as much information as possible. This will speed up the process and help us to help you.

Please use our dedicated online technical support centre: support.connects2.com
